Maldives Legend Y is the new pinnacle of ultra-luxury within our fleet – a 45-meter masterpiece crafted entirely from scratch and set to launch in September 2026. Purpose-built to redefine elegance on Maldivian waters, this flagship vessel accommodates 26-28 guests across 14 thoughtfully designed cabins, including private-balcony Seaview Suites and Signature VIP Suites. Every element of Maldives Legend Y has been engineered with precision, artistry, and innovation, creating a refined aesthetic and unparalleled comfort that elevate the liveaboard experience to a new horizon.

CABINS

Maldives Legend Y offers lavish accommodation for 26-28 guests across 14 elegantly appointed cabins. The vessel features 4 expansive Seaview Suites with private balconies on the upper deck, Signature VIP Suites on the main deck, and a mix of Triple, Twin, and Single-Occupancy cabins on the lower deck that can also be converted into double cabins. Each suite is designed to deliver sweeping ocean vistas, refined comfort, and exceptional privacy. With generous layouts, premium bedding, ample storage, and modern en-suite bathrooms, the cabins aboard Maldives Legend Y are among the most luxurious and spacious available on any Maldivian liveaboard.
